

Steps to Place Your Mailing Order

SELECT YOUR MAILER

Choose from our predesigned templates, use your own or send a request and we can customize a piece tailored for you and your business needs.

TARGET YOUR NAMES

Provide us with the areas (zips, counties, states) and any special selections and we will send the available name count within 1-2 hours OR visit our ["Tools"](#) link on our website to run your own.

PLACE & CONFIRM

Submit your order by [email](#) or [online](#). We will send you a confirmation to verify everything is exactly correct. Once you approve your confirmation and provide payment your order will begin processing.

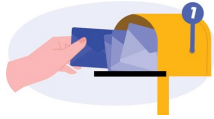

GET MORE BUSINESS

Your order will print and mail within 3-5 business days. Mailers with a web reply or phone number see increased traffic & calls within 5-7 days. Those with a reply card can anticipate returns in 12-15 days.
